Give the Gift of
Transformation

Letter from the Director

Dear Friend of Freedom's Door,

Kelowna showed up for its neighbours this year with the August fires. And as we look towards Thanksgiving and Christmas once again our hearts turn towards intentional giving beyond our families. Freedom's Door is so grateful for you and its community partners. In The Message, Revelation 21:4 says, "Look! Look! God has moved in to the neighbourhood making his home with men and women! They're his people, he's their God. He'll wipe every tear from their eyes." God is in Freedom's Door neighbourhood changing men's lives. As a staff and board, we are humble witnesses to God's transformation in the lives of our men. At Freedom' Door we work hard to be good neighbours in our city by practically helping out whenever and wherever we can while we also do the internal hard work of personal recovery in our own backyard. Join the neighbourhood by partnering Freedom's Door. Your generosity will have an eternal impact that ripples beyond. Your gift begins by influencing one man's life, imprinting into the hearts of families, reforming neighbourhoods, and so contributing to positive cultural change.

I know that when I donate to an organization or a cause, I like to believe it will make a difference and will be stewarded well. I also have areas I am more passionate about. So that's why we have this catalogue. Shop, find the area that aligns with your heart and give.

On behalf of all the lives you will impact through your prayers and tangible giving, I deeply thank you.

Build the Belaire Townhomes

We are excited to introduce to you the Belaire Townhomes. These seven townhomes will be built in the rear yards of our three existing homes on Belaire Avenue. Phase one is to build four townhomes with three more to be added as part of this long-term project. Using our existing land mass (rear yards) allows us to construct these homes at a very affordable level. Each townhome has two parking spaces on the ground level. The first floor contains the living room, dining room, kitchen, bathroom and laundry room. On the second level are four bedrooms and a bathroom. These homes will be used for transitional housing purposes.

Support Centennial Homes

This is the heart of our Freedom's Door home. Like so many homes, it revolves around the table; our kitchen table, classroom table, the chapel table, and our counseling and administration tables. Here are some areas where you can directly support our core program.

Home Management

You know all that is involved in running a home; meals, laundry, cleaning, house, yardwork, auto maintenance, and budgeting. Add to that, the emotional, mental and spiritual care and support and recovery work (which is the hardest work of all). Multiply these current needs by 8 homes and 90 people! Your Home Management gift helps to liberate the mind, heal the heart, nourish the body, and meet the physical needs.

1 Meal = \$10

Personal Development

We have learned each man's journey is unique so we have created a step-by-step personal development program. Addiction can rob an individual of their sense of dignity, destroy self-worth and eliminate purpose. We are dedicated to walking alongside men to find freedom and rediscover, and for some, discover for the very first time, a passion and career.

1 Month = \$400

First Step: 90 Day Program

The 90 Day Program is mandatory for each client. It is a comprehensive in-depth dive into their own personal addiction and a roadmap of rediscovery and remaking of themselves.

Multi-Purpose Room = \$15,000

“

Freedom's Door has supported my journey in every single way imaginable from day one and given me the tools to succeed... I could not have done any of this without God in my life, and the help of Freedom's Door, who led me to Him.
